A unique way to create lasting team bonds. Our curated Tastings and Cocktail Classes create a shared experience for participants focused around a spirit, wine or cocktail style of your choice

COCKTAIL CLASS WITH A TWIST

The only thing better than our signature cocktails is knowing how to replicate them for later. Our expert mixologists teach you the art of cocktail making, breaking down the science so you can add your own creative spin to the classics.

TASTINGS WITH INTENTIONALITY

From tequila to Russian River Valley wines, we pair our wide range of tastings to the interests of your group. Our knowledgeable experts mix history and storytelling with the intricacies of how to examine and evaluate each drink in the tasting.

Large Events

An unforgettable affair seamlessly flowing throughout our entire renovated historic hotel and social club. We invite you to create the celebration of your dreams with opulent passed canapes from Top Chef David Viana and his award-winning team at Heirloom at The St. Laurent, and flowing craft cocktails.

Designed to seamlessly add style and taste to your event without losing sight of the most important part — that your people are gathered together to celebrate life's big moments.
